

Scholarship Details for Nossi's Certificate Programs in UXUI and Photography:

Nossi College of Art is excited to announce two new certificate programs launching Fall 2017. These programs will be offered one or two nights per week, depending on program, and we will accept 15 students into each program.

NAMA | Dury's Scholarship recipients will receive half off the full certificate program in exchange for promotion of the program via blogs and social media. In the end, a testimonial will be gathered - a quote for print and a short video as well.

- Blog – must write at least one blog post per month about the progress of the certificate and your experiences in the program
- Social Media – must post at least 4x per month on your social media of choice: Facebook, Twitter, Instagram or combination of the three. Be sure to tag Nossi College of Art and include the hashtag #Nossi
- Testimonial – at the end of the program, we will interview the scholarship recipient about the program and we will use quotes in future marketing and communications
- Feedback: During the interview, we will also ask about things well-received as well as areas we can improve our efficiency and instruction
